

## Intermediate Lesson 002 – Show Notes

---

Sur ce podcast, on apprend à changes les phrases de la voix active à la voix passive.

Exemples :

(la voix active --> la voix passive):

He wrote this book. --> This book was written (by him).

He is writing this book. --> This book is being written (by him).

He will write this book. --> This book will be written (by him).

He will have written this book. --> This book will have been written (by him).

He would have written this book. --> This book would have been written (by him).
