

Lesson 025 – Show Notes

Sur cet episode, on apprend à faire des comparaisons avec des adjectives.

1st group: adjectifs avec 1 ou 2 syllables seulement, the “-er adjectives”

Big / bigger / the biggest

Small / smaller / the smallest

Happy / happier / the happiest

Hot / hotter / the hottest

Old / older / the oldest

Pretty / prettier / the prettiest

2nd group: adjectifs avec 3 syllables ou plus

Beautiful / more beautiful / the most beautiful

Intelligent / more intelligent / the most intelligent

Expensive / more expensive / the most expensive

Annoying / more annoying / the most annoying

Difficult / more difficult / the most difficult

La preposition “than” est employée pour indiquer l’objet auquel on compare quand on n’en a que deux.

La preposition “of” est employée pour indiquer le groupe auquel la comparant fait partie, si on veut l’indiquer, quand on a trois choses ou plus.

Examples:

“My dad is older than your dad.”

“The television is more expensive than the radio.”

“Kate is the prettiest of all the girls.”

“My math class is the most annoying (of all my classes).”

Exception: good

Good / better / the best
