

## Lesson 031 – Show Notes

---

### Negative verbs in the Simple Past Tense (Verbes au Négatif au Simple Past Tense)

Review: negative verbs in the simple present

I eat -> I don't eat

You dance -> You don't dance

She speaks Russian -> She doesn't speak Russian

Alors, voici ce que vous faites au négatif:

Sujet + verbe auxiliaire + "not" + verbe principal, toujours à l'infinitif

Le verbe "do" au simple past tense devient "did", et c'est conjugué la même pour tous les sujets:

I did

You did

He/She did

We did

They did

Puis, on ajoute le "not" et le verbe principal

I did not eat

You did not eat

He/She did not eat

We did not eat

They did not eat

Exception: to be

I wasn't

You weren't

He/She wasn't

We weren't

They weren't
